SITHONIA HALKIDIKI

COVID-19---NOTICE

Dear Customer,

First of all, we would like to thank you for your continuous loyalty and support throughout our course and particularly during these uncertain times. Just like last summer, especially for you, we will strive to ensure a safe, peaceful, elegant and welcoming environment in a stunning place of unique natural beauty with a private beach and now-more than ever we are determined to fully protect you, so as to enjoy your holidays this summer as well! Finally, we comply with all the government directives regarding the decontamination and sanitation of the complex, applying the safety measures based on health protocols. Despite the fact, that the measures are not so strict anymore, we continue to implement the health protocols with our main concern being your safety.

CHECK-IN & CHECK-OUT

The check-out hour is until 11:00 and the check-in hour is after 15:00 in order for us to have additional time for proper ventilation, thorough cleaning and meticulous disinfection of every accommodation. The check-in & check-out procedure will take place in the outdoor Reception area. Upon your arrival, a credit card will be requested for the preauthorization of the remaining amount of your stay. You can find all these details in the Registration Card, which you will receive by email a week prior to your arrival date. It is recommended, the payment to be made until the day before your departure date at Cashier hours (18:00-21:00) in order to avoid any queues at the Reception Desk. A receipt or invoice will be issued and it can be sent electronically, if you wish.

ACCOMMODATIONS

The cleaning and disinfection schedule as well as the cleaning products will meet all the required standards. Its documents are certified by the National Organization for Medicines (EOF) and the guidelines issued by the National Public Health Organization (NPHO). Reinforced health protocols, intensive cleaning of the accommodations and further disinfection by the appropriate steam machines in "high risk" areas are some of the protection measures which will be applied. Based on the protocols, the cleaning personnel will use the necessary protection equipment before they enter each accommodation. Please note that the frequent cleaning of every accommodation will be avoided during your stay, unless you request it and the bed and bath linen will be changed every three days. Please inform the Front Desk upon arrival, if you wish not to have your accommodation cleaned or your linen changed.

CAMPING

This year as well, the Camping will operate with a limited number of tents. Please note that the entrance as well as use of common premises of the Camping will not be allowed to non-residents, visitors and hosts for security purposes. Finally, common showers and toilets will be cleaned and disinfected according to the health protocols, so often as to be clean and in a good condition at all times.

BEACH

It is important to underline that each accommodation will have its own umbrella and sunbeds on a designated place on the beach throughout the entire stay, from the check-in until the check-out time.

MANASSU RESTAURANT - BEACH BAR

All the health protocols will be applied to the Restaurant and Bar and specifically all of our menus will be “a la carte” and be cleaned with a disinfectant spray following every use. Additionally, the tables will be covered with disposable “sous-plat” and all the requested distances between tables and chairs will be applied. We suggest you to make a table reservation at Manassu Restaurant, in order to avoid any queues.

PERSONNEL & COVID-19

Our personnel follow strictly the health rules and protocols. There will be a Coordinator who will be responsible for the implementation of the health protocols, supervision of the cleaning and disinfection of all the accommodations and the common premises. Additionally, many sanitization stations for the hands, all around the Camping area, will remind you the necessary safety measures. Last, but not least, the use of protection masks as well as social distance are advised for your own safety.

In case you feel sick, or you have Covid-19 symptoms, please stay in your accommodation and contact immediately the Reception.

Concerning the Protocol for Arrivals in and Departures from Greece, you can find it in <https://travel.gov.gr/#/>
